Net Payment Request and Supporting Calculation

Notice sent by email | 10 July 2026

Calculation

Item	Evidence	Amount
Contract payments made	Receipts dated 3 and 15 June 2026	S\$8,400.00
Less amount already returned	Transaction NR-0507-119 dated 5 July 2026	(S\$1,000.00)
Net amount still paid to contractor	S\$8,400.00 - S\$1,000.00	S\$7,400.00

I am asking Northstar Bathroom Works Pte. Ltd. to pay the remaining S\$7,400.00. This is the original S\$8,400.00 paid, less the S\$1,000.00 already returned. I am not claiming the returned sum again.

Reason for request

The completion date in agreement BR-2026-061 was 30 June 2026. The contractor confirmed that the work remained unfinished, and inspection report SI-2026-071 records that the bathroom was not ready for normal use.

Please pay S\$7,400.00 by 24 July 2026. This notice records the amount requested and does not add any interest, inspection fee, or replacement-contractor cost.
